

Dental Infection Prevention and Control Certificate Program™

The Organization for Safety, Asepsis and Prevention (OSAP) and the DALE Foundation have developed a *Dental Infection Prevention and Control Certificate Program*. Details of this comprehensive education program are below.

4 steps to earn the OSAP-DALE Foundation Dental Infection Prevention and Control Certificate

Step 1

Complete the OSAP-DALE Foundation online CDEA® module:
[Understanding CDC's Summary of Infection Prevention Practices in Dental Settings](#)

Step 2

Complete **ONE** of these dental infection control education programs:

- [The DALE Foundation's DANB® ICE® Review](#) course (online)
- [OSAP's Dental Infection Control Boot Camp](#) (3-day in person)
- [OSAP's CDC Guidelines: From Policy to Practice](#) (paper and online)
- [OSAP's OSHA & CDC Guidelines Interact Training System](#) (paper and online)
- Graduate from a CODA-accredited dental school, dental hygiene program, dental assisting program or dental laboratory technology program
- Hold a graduate degree in microbiology or other life science with course work in infection prevention and control from an educational institution accredited by an agency recognized by the U.S. Department of Education (or similar federal agency in another country)

Step 3

Complete the *OSAP-DALE Foundation Dental Infection Prevention and Control eHandbook™* (online) **COMING IN SPRING 2019!**

Step 4

Pass the *OSAP-DALE Foundation eHandbook Assessment™* (online) **COMING IN FALL 2019!**

TAKE THE NEXT STEP!

Steps 1 and 2 can be completed in any order. A great way to get started is with the OSAP-DALE Foundation module: [Understanding CDC's Summary of Infection Prevention Practices in Dental Settings](#).
